

GERRY TREVINO

Tech Rider and Input List

1. Kick (Mic, House Provided)
2. Snare (Mic, House Provided)
3. Tom 1 (Mic, House Provided)
4. Tom 2 (Mic, House Provided)
5. OH L (Mic, House Provided)
6. OH R (Mic, House Provided)
7. Talkback (Mic, House Provided)
8. Guitar (DI, Artist Provided)
9. Tracks (DI, Artist Provided)

* Will need house microphones and stands for drums and talkback microphone.

* Guitar DI send to house PA from amp processor. Guitar cabinet is there for stage volume and will not need to be mic'ed up.

* Stereo backing tracks send to house PA from laptop.

* Monitor wedges will not be needed since the artist is using in-ear monitors.
